Teacher's Feedback

Session: 2020-2021

Analysis of Feedback and Action Taken Report

It is the general practice of the institution to collect the feedback from all the teachers. We manually collect the feedback from the teachers about all the aspects of the college. The Feedback Committee collected the filled feedback forms specially made for the teachers. The Submitted forms had been evaluated by the committee on three point scale and such report was submitted to IQAC for necessary action. After getting the report IQAC consider the report seriously and for appropriate result and in order to resolve them forwarded to Top Management.

Sr. No.	Suggestion	Action Taken
01.	To enhance the research atmosphere in the premises	IQAC always promote the research culture in the college premises and after the suggestion more infrastructure and other required facilities will be demanded to administration.
02.	To Increase numbers of computers and Projector	IQAC recommends the purchase committees and Top Management to purchase few more computers and projectors for the teaching process.
03.	To make available latest Research Journals	IQAC recommends the Library committee to make available latest Research Journals.
