

Tree Plantation Drive

<u>Date of the Event:</u>	15 August, 2021
<u>Venue of the Event:</u>	College Premises
<u>Organizing Department:</u>	National Service Scheme

Objectives of the Event:

01. To enrich the premises by various types of plants.
02. To preserve and conserve the plants.

Brief Report:

To conserve and enrich the different types of the plants in the college premises Tree Plantation Drive was conducted on the occasion of 15th August, 2021 Independence Day. The college administration and NSS department always take initiative in such environmental and social activities. In the academic year with the help of NSS volunteers after Flag Hoisting function, NSS program officers Dr. J. G. Weekey, Shri. S. P. Dhomane and other college teacher took participation in plantation drive and plant the various types of saplings beside the wall compound of the college. Pre-preparation for plantation drive was already made one day before on 14th August, 2020. It was decided by all the stakeholders to preserve and conserve the planted saplings.

Event Outcomes:

The college premises enriches with different types of plants by such drive. Student got aware about the importance plantation.
